INDEPENDENT ACCOUNTANT'S REPORT

TO: THE OFFICIALS OF THE CARNEGIE PUBLIC LIBRARY OF STEUBEN COUNTY, STEUBEN COUNTY, INDIANA

We have examined the schedules of receipts, disbursements, and cash and investment balances of the Carnegie Public Library of Steuben County (Library), for the period of January 1, 2005 to December 31, 2006. The Library's management is responsible for the schedules. Our responsibility is to express an opinion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence supporting the schedule of receipts, disbursements, and cash and investment balances and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

In our opinion, the schedules referred to above present fairly, in all material respects, the cash transactions of the Library for the years ended December 31, 2005 and 2006, based on the criteria set forth in the uniform compliance guidelines established by the Indiana State Board of Accounts.

CARNEGIE PUBLIC LIBRARY OF STEUBEN COUNTY NOTES TO SCHEDULES

Note 1. Introduction

The Library was established under the laws of the State of Indiana. The Library provides the following services: culture and recreation and general administrative services.

Note 2. Fund Accounting

The Library uses funds to report on its cash and investments and the results of its operations on a cash basis. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions or activities.

Note 3. Budgets

The operating budget is initially prepared and approved at the local level. In addition, funds for which property taxes are levied are subject to final approval by the Indiana Department of Local Government Finance.

Note 4. Property Taxes

Property taxes levied are collected by the County Treasurer and are distributed to the Library in June and December. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100% of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which become delinquent if not paid by May 10 and November 10, respectively.

Note 5. Deposits and Investments

Deposits, made in accordance with Indiana Code 5-13, with financial institutions in the State of Indiana at year end were entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statute (IC 5-13-9) authorizes the Library to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

Note 6. Long-Term Debt

The Library has entered into debt for renovation of the library. The outstanding principal at December 31, 2006, was \$2,965,000.

CARNEGIE PUBLIC LIBRARY OF STEUBEN COUNTY EXAMINATION RESULT AND COMMENT

COMPENSATION AND BENEFITS

A comparison of the hourly wage paid to an employee of the library's children's department to the corresponding rate allowed in the salary resolution indicates that the employee was underpaid in 2005 and 2006 by \$.50 per hour.

The starting wage rate for employees of the library's children's department was not indicated in the salary resolution.

All compensation and benefits paid to officials and employees must be included in the labor contract, salary ordinance, resolution or salary schedule adopted by the governing body unless otherwise authorized by statute. Compensation should be made in a manner that will facilitate compliance with state and federal reporting requirements. (Accounting and Uniform Compliance Guidelines Manual for Libraries, Chapter 4)

Re: 2007 audit comments

When entering the 2005 salary increases into the Computrain accounting system, an error was made on Robyne Spillers' record. For all of 2005 and 2006 she was underpaid by \$.50 per hour. She was paid back wages for this error on March 2, 2007 and her hourly wage has been corrected. We will double check for accuracy when entering wage increases in the future.

Also at the beginning of 2005, our salary ordinance listed the starting wage at \$7.35, but did not include that the starting wage for the children's department is \$8.00. We will include both levels of starting wage on future salary resolutions.

Sincerely,

Sonya Dintaman
